Decree of 03.25.2020

**COVID-19 Emergency
ALERT
ASSARMATORI
No. 30**

March 27th 2020

Executive Summary

COVID-19: Further urgent measures to contain the emergency. Maximum usage of agile working.

Decree-Law No. 19 of 03.25.2020, aims to adopt further urgent measures for containing the COVID-19 epidemiological emergency, and to extend the terms of current provisions already in force until 04.03.2020.

The Decree, among the various measures to be adopted, provides limitations for the physical presence of employees in the offices of public administrations, except for activities that cannot be postponed and the provision of essential services, primarily through the use of agile working methods.

In this regard, therefore, the National Institute for Insurance against Industrial Injuries ("INAIL") has drafted a specific model of information on health and safety on agile work pursuant to art. 22, paragraph 1, Law no. 81 of 22 May 2017 – [available on the INAIL's institutional website](#) – which can be used by companies that decide to use agile working methods for their employees.
